This Summer we'll spend some time in the Psalms. The Book of Psalms is a collection of poems, prayers, & hymns comprising the core of ancient Biblical spirituality. Made of a variety of styles, covering a range of emotions, they can be a significant help for our spiritual lives today.

Many of the Psalms of Praise center on a particular attribute of God, Psalm 103 gives us an accurate 'job description' of God, to help us get our lives properly tuned.
